Will I lose my deposit?

Yes. The group registration deposit is non-refundable and non-transferable to the balance owed or other HLC events past or future. It is forfeited when a reservation is not filled or when a church group cancels. In short, the reason is twofold:

1. When reservations are made and not filled, fewer students have the opportunity to hear the Gospel and respond to it. Padded reservations have prevented entire churches from attending camp in recent years.
2. The camp incurs significant cost when preparations for camp are made based on reservations that are unfulfilled. Staff is hired, food purchased, facilities are prepared, and resources are committed based on the expected attendance.

Our goal is to maximize camp ministry in every way. We ask churches to be realistic from the start and to make a realistic number of reservations for the benefit of all. We are partners—the camp and churches—and we desire to work together to get as many students to camp as possible.
